

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**SB 352**

January 31, 2021

**SUMMARY OF BILL:** Creates the Tennessee Office of Cooperative Disability Investigation (Division), which would be attached to the Department of Finance and Administration (F&A), and exist from October 1, 2021, through October 1, 2024. Requires the Division to have a staff of five persons and prohibits state funds from being used to fund or operate the Division.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- The United States Congress Bipartisan Budget Act of 2015 requires the Acting Commissioner of the Social Security Administration (SSA) to expand the Cooperative Disability Investigation (CDI) program to cover all states and territories no later than October 1, 2022.
- There are currently 46 units covering 40 states, the District of Columbia and the Commonwealth of Puerto Rico. The SSA estimates initial startup and operating expenses of up to \$1,200,000 and annual operating costs of \$600,000 to \$800,000 per unit.
- The proposed legislation stipulates that all fiscal responsibilities needed to fund and operate the division, including, but not limited to, salaries, overtime, insurance benefits, retirement benefits, paid leave, and operating costs, must be provided by the United States SSA.
- If the United States SSA fails to provide the funding needed to fund and operate the Division, then the Division shall cease to exist.
- It is assumed the courts can handle any increases in caseloads utilizing existing resources; therefore, any fiscal impact to state or local governments is estimated to be not significant.
